MINUTES OF THE BOARD OF STUDIES MEETING HELD ON 28-3-2018

The Board of Studies meeting of the Department of Economics was held on 28/03/2018 at 10:00 AM in the Staff room of the Department. The meeting was presided over by Dr. M. Sangararadje, Head of the Department. The following members attended the board meeting chaired by the Head of the Department.

| Mr. P.Sivasankar Member | Postal Assistant, Puducherry |

At the outset the Chairman welcomed and introduced the members. He appraised the members about the initiatives taken and progress made by the department after the last Board of Studies meeting. The Chairman also explained the importance of keeping the course content updated and modified, keeping in view of the advances in knowledge and requirements of the industry. He welcomed suggestions and modifications from the board regarding the proposals from the department.

The external members of the board went through the programme committee minutes. Members of the board discussed about the content of the syllabus and its implementation.

Dr. M. SANGARARADJE, Ph.D.,
HEAD, DEPT. OF ECONOMICS
KMC PG STUDIES (Autonomous)
PUDUCHERRY - 605 008.

The following decisions were arrived at.

The board approved the proposal to offer a paper in "Basic Econometrics" for the students of M. A. Economics and the changes made in the "Computer Applications in Economic Analysis" and "Research Methodology in Economics" papers to incorporate software aided data analysis in the syllabus.

Since the utility of the paper "Computer Applications in Economic Analysis" depends on hands-on training, it is decided to evaluate the students in their end semester examination based upon a practical examination.

The board approved the changes made in the "Research Methodology in Economics" paper for M. Phil. Economics to incorporate software aided data analysis in the syllabus.

The board recommended for a computer lab for the students of economics with data analysis software and internet connection.

The board recommended the proposal to start Ph.D. Programme in the department from the academic year 2018-19. Board considered the gazette notification on University Grants Commission (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2018 (12th February, 2018). As per the gazette notification under the item no. 10.2, it is mentioned that "An autonomous college is free to start a new degree or postgraduate course/Ph.D. with the approval of the Academic Council of the college and concerned Statutory Council(s), wherever required, provided the nomenclature of the degree is in consonance with UGC Notification on Specification of Degrees, 2014". The board recommended seeking clarification regarding this from the University

It is recommended to change the pattern of questions in Section A of the question papers for M.A. Economics. Questions of the format of "Fill in the blanks" are replaced by "Multiple choice" questions with three choices.

The Board also recommended for additional staff members by filling up the existing vacancies so that a teacher is not burdened with more than two subjects in a semester. If there are any technical problems in filling up the existing vacancies, to tide over the situation the services of guest faculty can be utilized till such time the regular postings are made.

The board also approved the suggestion of offering more soft core papers for non-economic students and endorsed the point that Economics for Competitive Examinations be retained at least for one semester for non-economic students because the contents of the syllabus will be more useful for students to face competitive examination questions.

Meeting ended with thanks to and from the chair

RESOLUTIONS OF BOS-MATHEMATICS (2017-18)

The chairman introduced the members and explained the revised syllabus of the CBCS system of curriculum. He distributed the schemes and drafted syllabi for semester I, II, III, IV of M.Sc. Mathematics and semester I and II of M.Phil. Mathematics. The syllabi of all the papers were discussed and after the deliberations, consensus was arrived and resolved the following recommendations:

RECOMMENDATIONS

M.Sc. Mathematics

1. Real analysis I and II have been combined as Real Analysis.
2. Operations Research has been shifted from semester I to semester IV
3. Measure Theory has been introduced in II semester in place of Real Analysis II.
4. Advanced algebra has been shifted from Semester III to semester II
5. Classical dynamics has been moved from semester II to semester III
6. Difference equations and Z transformation has been included as a hard core paper in semester IV.

The following hard core papers have been shifted as soft core

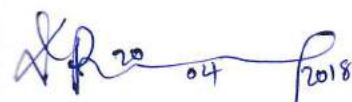

1. Probability Theory
2. Numerical Methods
3. Fluid Dynamics
4. Graph Theory
5. Discrete Mathematics

M. Phil. Mathematics

The syllabus content of Advanced topics in analysis and algebra has been completely revamped.

Paper, "Difference and Differential equations " has been changed as "Integral Transforms".

1. The new Structure of CBCS and new syllabi has been recommended by the program committee and to be passed by Academic council and this structure is to come into effect from 2018-2019 batch onwards
2. The board also recommends to continue with the question pattern followed as per the Seventh BOS Meeting for M.Sc. and M.Phil. Mathematics.
3. All other recommendations and resolutions passed in Seventh BOS Meeting are continued.
4. Authorise the chairman to suggest the panel of paper setters and Examiners for valuation.
5. The omissions and corrections suggested in the eighth BOS-Mathematics meeting, held on 20/04/2018, were unanimously accepted and attested by the Members of BOS.

The meeting was chaired by the HOD. The Chairman introduced the members and informed/briefed the revision of CBCS System of Syllabi. She distributed the schemes and draft syllabi for I,II,III and IV semester papers of M.Sc. Zoology and I & II semester papers of M.Phil. Zoology.

The syllabi of all the papers were discussed and after the deliberations, consensus was arrived and resolved the following recommendations:

1. The syllabi of all papers for M.Sc. Zoology of I, II, III and IV semesters including individual projects and I and II semesters of M.Phil. Zoology has been recommended along the scheme of the papers for M.Sc. and M.Phil Zoology under CBCS from the academic year 2018-2019 onwards.

2. The credits provided to the courses based on the teaching hours were reorganized as per CBCS guidelines.
3. Three days were allotted per week for the individual projects of II M.Sc. Zoology students in IV semester as per the guide lines of CBCS and the credits were increased accordingly.
4. The soft core course of the IVth semester was offered in the IIIrd semester; two hard core courses were offered in the IVth semester.
5. The paper Genetics and Evolution (ZOHT104) was separated and Genetics was taken as a separate paper. Evolution and Conservation Biology was offered in the second semester as a separate paper (ZOHT204).
6. Tutorial system was introduced to identify and help the weak students in order to equip them on par with others in the subject knowledge. Accordingly, one hour/week/subject was allotted.
7. Two hours were allotted for seminar/field work in all semesters.
8. A soft core paper on Aquaculture is offered for students of other departments.
9. The soft core paper on Environmental Education was reorganized as Environmental Education and Toxicology (ZOSC 305) and is offered in the IIIrd semester.
10. The students of the department can select the soft core papers offered by the department or by other departments as per the CBCS guidelines. Thus the papers 'Public Health and Hygiene' (ZOSC205) offered in the IInd semester and the paper 'Environmental Education and Toxicology' (ZOSC305) offered in the IIIrd semester of M.Sc. Zoology as interdisciplinary for others can be selected by students of the department for their study.
11. Question pattern was changed with 4 questions in Section A, carrying 2.5 marks each and 4 questions in Section B with internal choice, carrying 5 marks each. Section C has 5 questions as before out of which 3 are to be answered.
12. M. Phil. syllabus was also modified and updated as per the recent developments in the subject.

MINUTES OF THE 7th BOARD OF STUDIES MEETING HELD ON 20.03.2017

The Board of Studies Meeting for Department of Physics held on 20-03-2017 between 10 A.M. to 4.00 P.M. at Department of Physics, KMCPGS, Puducherry 605008. The following members have attended the meeting with Dr. V. Ilangoan, Asso. Professor & Head, Department of Physics as the Chairman.

- | | |
|-----------------------|----------------------------------|
| 1. Dr. V. Ilangoan | - Chairman |
| 2. Dr. S.Sankar | - Expert nominated by University |
| 3. Dr. S. Mayilavelan | - Meritorious Alumni |
| 4. Dr. S. Periandy | - Member |
| 5. Dr. R.Thilak Kumar | - Expert nominated by AC |
| 6. Dr . P.Kumaresan | - Expert nominated by AC |
| 7. Mrs . RadhigaRagu | - Expert related to Placement |

The Chairman introduced the members and explained the objectives of the Board of Study meeting, distributed the schemes and the draft syllabi. The meeting discussed the necessary elements required for the improvement of the existing CBCS curriculum followed by the department. Finally the following recommendations have been proposed by the committee.

Recommendations of committee:

1. M.Phil (Physics) Syllabus (2017-2018 onwards)

In the curriculum pattern, the first paper in part-I is retained as such. The chairman wishes to introduce the second paper in part-II as ADVANCED QUANTUM PHYSICS instead of the existing paper ADVANCED PHYSICS.

The third paper which forms the part-II (guide paper/Research area paper) is changed to either as QUANTUUM THEORY OF MOLECULAR SPECTROSCOPY or NANOSCIENCE AND TECHNOLOGY. The scholars can choose any one of them based on their area of research interest and the availability of faculty expertise. In part-III the dissertation submission is retained as such.

Credits:

The credit pattern is retained as such. For each theory paper 6 credits for dissertation 15 credits, and for viva voce 3 credits. The total number of credits for M.Phil is 18.

Internal and End -Semester Examination Marks:

The internal mark is changed from 50 to 40 marks and external marks (University exam) from 50 to 60 marks, to have uniformity with PG marks system.

The End-Semester question paper pattern in theory paper is proposed as follows;

Section A consists of 4 questions each carrying two marks, one from each unit without any choice.

Section B consists of 4 questions each carrying five marks, one from each unit with either or pattern. All questions should be answered without any choice.

Section C consists of 4 questions each carrying eight marks, one from each unit with either or pattern. All questions should be answered without any choice.

2. M.Sc., (Physics) Syllabus (2017-2018 onwards)

The credit points for all hard core papers are revised based on the content and work load of the papers. Hence the number of hard core papers for each semester is revised. There will be three hard core papers in each semester along with one practical paper and one soft core paper. The soft core paper can be selected by the students either in the Physics Department or in any other Department.

The papers MATERIAL SCIENCE in first semester, the LASER AND ITS APPLICATIONS in second semester, and PROJECT in fourth semester are converted into soft core papers. The PRINCIPLES OF SPECTROSCOPY is shifted from the third semester to the fourth semester.

The codes for soft core papers are changed as PHSC-001, PHSC-002, PHSC-003 and PHSC-004 for first, second, third and fourth semesters respectively.

A list of four soft core papers is prepared for each semester, out of which any one can be chosen by the students. The project work (main students only) is also included as soft core paper in fourth semester.

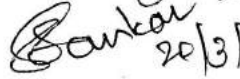

The Industrial visit/Premier Institutional visit is made mandatory for the students since the academic year 2017-18 as the change in trend in Subjects/Research warrants.

The following two resolutions were passed unanimously at the Board of Studies in French held on 30-11-2015:-

Resolution 01:

At the Meeting of the Board of Studies in French held on 30-11-2015 at 10. A.M., it was decided to modify the eligibility conditions for admission to the M.A. (French) Degree Course as below:-

A candidate seeking admission to the M.A. (French) course should have passed and secured a minimum of 50% marks in the main and allied subjects. In case of OBC/BCM/MBC/EBC/BT candidates, the minimum is 45%. There is no minimum percentage of marks for Scheduled Caste and Physically Challenged candidates, only a pass is required. First preference will be given to the candidates who have studied the concerned language (that is, French) as the major subject under Part-III.

Only after having exhausted all the candidates as mentioned above, candidates who have obtained any U.G. Degree in the 10+2+3 stream with French in Part-I or Part-II (minimum two years) may be considered.

Besides, the candidates with any UG Degree in the 10+2+3 stream along with the following qualifications may also be considered:-

- (a) Postgraduate Diploma in French with 50% of marks from any Indian University;
- (b) Certificate of Level B1 in French of the Common European Framework (CECR).

Resolution 02: The Syllabus for M.A. French (Regular) is modified as below and the modified syllabus takes effect from the Academic Year 2016-17 onwards:-

The members of Board of Studies suggested modification with regard to contents and references of each course. The following general recommendations are made by the members of Board of studies.

M.Sc. Mathematics

Recommends

MAHT101 & 207- Real Analysis-I & 2

Inclusion of Section: 3.13(Metric spaces) and 4.6(Limits of complex Valued functions), 4.7(Limits of vector valued functions).

Deletion of Sections: 7.16, 7.17, 7.18

Include: 9.7 (A space filling curve) & 12.6 (An application to complex valued functions).

Recommends

MAHT102 – Linear Algebra.

Deletion of Sections: Unit II: Jordan Forms & Rational Canonical Form in sections 6.6 & 6.7

Recommends

MAHT103 – Operations Research:

a) **Inclusion of Section:** Integer Programming the Cutting Plane Algorithm– Branch and Bound Technique.

b) **Deletion of Section:** Decision Tree.

c) **Rearranging the Units as:**

Unit III: Integer programming and Sequencing problems.

Unit IV: Decision and Game theory.

Also recommends the text book to be replaced by
Operations Research by Kanti Swarup, P.K. Gupta, Manmohan
- Sultan chand & Sons, New Delhi, 12th Edition.

Recommends

MAHT 104 – Ordinary Differential equations

Deletion of Section: Unit IV: (i) Non-linear equations- Volterra Prey Predator equations (Sec: 10.57). **(ii)** Stability of Liapunov's direct method (Sec: 11.61).

Include the following text books as reference texts

Deo & Ragavendra – **Ordinary Differential Equations and stability theory**-Tata McGraw Hill - 1995

RamMohan Rao M – **Ordinary Differential Equations**

Recommends

MAHT – 313 – TOPOLOGY

Inclusion of section: 16 (definition and example of topological Spaces) in **Unit I.**

Include the following text book as reference text

(i) S.Kumerasen - **Topology of Metric spaces**- Alpha Science international – 2011- II edition

Recommends

MAHT- 419 – Functional Analysis

Include the following text book as reference text

(i) Erwin Kreyszig- **Introductory Functional Analysis with Applications**- John Wiley and sons-1978

Recommends

PAPER- 02(optional) - Difference equations and Z transforms

Deletion of Section: Unit IV: Stability of linear system- Stable subspace theorem (Sec: 4.2).

Recommends

Inclusion of the optional paper titled **Theory of Fuzzy sets** as Paper 10.

M.Phil. Mathematics

Recommends

Inclusion of section: (Section 1.1 of chapter 6 (Riemann mapping Theorem)
Paper I – **Advanced topics in Analysis and Algebra.**

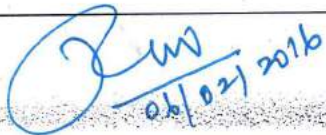

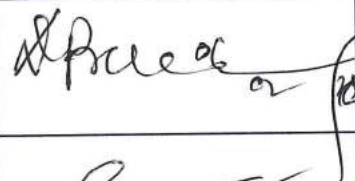

“This new syllabi will come into effect from 2016-2017 onwards”

The board also recommends to continue with the question pattern followed as per the fifth BOS Meeting for M.Sc. and M.Phil. Mathematics.

All other recommendations and resolutions passed in Fifth BOS Meeting are continued.

Authorise the chairman to suggest the panel of paper setters and Examiners for valuation.

The omissions and corrections suggested in the Sixth BOS Meeting held on 06-02-2016 were unanimously accepted and attested by the Members of BOS.

MINUTES OF THE SIXTH BOARD OF STUDIES MEETING HELD ON 29.01.2016

The Board of Studies meeting for Department of Physics held on 29.01.2016 between 10.00 am and 4.00 pm in the Department of Physics, KMCPGS, Puducherry-605008. The following members attended the meeting and the board was chaired by Dr.V.Ilangovan, Head of the Department.

1. Dr. V. ILANGO VAN - Chairman
2. Dr .S. Periandy - Member
3. Dr. G. Anbalagan - Expert nominated by AC
4. Dr .G. Ravichandran - Expert nominated by AC
5. Dr. D Sastikumar - Expert nominated by University
6. Mrs R. Radhika Ragu - Expert related to Placement
7. Dr. S. Mayilavelan - Meritorious Alumni

The chairman introduced the members and explained the new CBCS system curriculum and distributed the schemes and draft syllabi for M.Sc. Physics and M. Phil Physics. The following decisions are made:

1. The syllabi of all the papers were once again reviewed and accepted for continuation for the present academic year also.
2. The text books, both for study and reference, should have both Indian and Foreign authors, along with year of publication.
3. The following suggestions are proposed for carrying out or implementation in the next board of studies meeting to be implemented for next academic year 2016-17.
 - I. Eleven (11) hard core papers are identified and these should be separately listed out, distributing uniformly for the four semesters, along with the four practicals and projects.
 - II. The credit points to each theory and Practical paper should be based on the recommendation of the Pondicherry University, ie number of hours theory taught per week is the credit points, ie if four hours are taught per week, then 4 is the credit point for that paper (theory paper). In practical, 8 hours teaching per week should be given 4 credit points. The project should be given 5 credit points.
 - III. Ten (10) soft core papers are identified for Physics major students and these should be separately listed out, uniformly distributing for the four semesters, with syllabi suitable for the credit points allocated to each paper.

- IV. Ten (10) soft core papers are identified for non major students or of department students and these should be separately listed out, uniform distributing for the four semesters, with syllabi suitable for the credit points allocated to each paper.
- V. The number of hours may be mentioned against each paragraph of the syllabi.
- VI. The hard core papers should be studied within the department compulsorily for to 60 credit points.
- VII. The soft core papers (other than the compulsory hard core papers) are pure choice based; the students can do it either within the department or outside the department based on the student's interest.

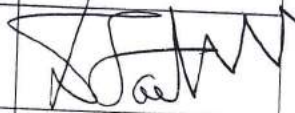

The chairman is authorized to carry out all these modifications in the interest of improving the quality and standard of the students.

MINUTES OF THE FIFTH BOARD OF STUDIES MEETING HELD ON 23-11-2015

Minutes of board of studies meeting of the department of economics held on 23-11-2015 between 10.00 am and 4.00 pm in the Department of Economics KMCPGS, Puducherry-605 008.

The following members attended the Board meeting chaired by the Head of the Department

| | |

| Mr. S. Saravanan Member | Meritorious Alumnus, Asst. Prof. of Economics Indira Gandhi College of Arts and Science Kadirkamam, Puducherry 605009. |

The chairman introduced the members and explained the introduction of the new CBCS system of curriculum. He distributed the schemes and draft syllabi for I,II ,III and IV Semester papers of M.A.Economics and I and II Semester papers of M.Phil. Economics.

The syllabi of the papers were discussed and after the deliberation consensus was arrived with the following recommendations.

Dr. M. SANGARARADJE, Ph.D.,
HEAD, DEPT. OF ECONOMICS
KMC PG STUDIES (Autonomous)
PUDUCHERRY - 605 008.

At the outset Dr.G.R.Veeramani pointed out that under CBCS each hour is equal to one credit and if that is the case as in the present syllabus for each subject four hours and four credits are allotted. In this way the total working hour per week may not add up to 30 hrs. He, therefore, suggested that for each paper the remaining hours can be adjusted under Seminars/ Tutorials/ Test and Assignments. The other external members of the Board also endorsed and approved this suggestion.

The Board also recommended the following changes in the syllabus:

In semester III in the place of Hard Core Course IV ECHT 316 Economics and Law, the paper Research Methodology in Economics is introduced and suggested that the paper Economics and Law can be offered as a Soft Core Paper.

As the Hard Core Course I ECHT 313 Public Economics syllabus is more for a semester, the board suggested to divide them into Public Economics I and Public Economics II. The Public Economics II paper is introduced as Hard Core I in semester IV ECHT 419 with some additional inputs pertaining to recent developments in Indian Public Finance. The code numbers of other papers are rearranged accordingly. In order to introduce the Public Finance II paper, the Board also recommended the shifting of the paper ECHT 423 Economics of Gender and Development into a Soft Core Paper ECSC 424.

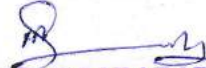

As there is a lot of duplication in the syllabus of Soft Core Elective ECSC 424 Rural Economics from the papers Indian Economic Development and policy ECHT 419 and Agricultural Economics ECHT 420 the board recommended its deletion.

In the case of M. Phil, the Board recommended the modification of the syllabus for the paper MECHT 11 Research Methodology in Economics to incorporate more theoretical content. As such it was decided to have the first two units with theoretical aspects and the 3rd unit with statistics and 4th unit with Econometrics. All the members approved the modification suggested for this paper.

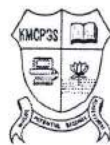

The Board suggested a credit of 8 for each paper aggregating 24 credits in the first semester, 8 credits for dissertation and 4 credits for viva-voce examination. Thus the total credit for M. Phil programme under CBCS aggregates to 36.

The Board also recommended minor corrections in the Economics of Infrastructure syllabus Unit headings and additional references for a few courses.

While discussing the distribution of internal assessment marks: Internal Assessment Tests = 15 marks; Mid Semester Exam = 15 marks and Seminar/Assignment = 10 marks with a total of 40 marks, it was pointed out by one of the external member that a minimum of 5 marks out of 40 can be allotted for attendance by adopting some criteria. However, the internal members clarified that the present break up of internal assessment was approved by the earlier Academic Council invariably for all departments and the Economics Board can suggest this for consideration in the next Academic Council. The Board also approved this suggestion.

- The Curriculum & Syllabi were discussed and after the deliberations & discussions, the following are the recommendations for M.Sc programme by the members of the Board of Studies.

1. The I semester of the curriculum should have 5 theory papers(4 hardcore + 1 elective [dept. subject]), 2 associated lab and a soft skill program is to be offered to equip the students for placement with IT industry with a total of 24 credits.
2. The curriculum of II semester should be with 5 theory papers(4 hardcore + 1 elective [dept. subject] + 1 elective [subject offered by other dept.] , 2 associated lab with a total of 24 credits.
3. The III semester of the curriculum should have 5 theory papers (3 hardcore + 2 elective [dept. subjects]), 2 associated lab with a total of 24 credits. The IV semester of the curriculum should have one elective [dept. subject], 1 soft skill program and project work with a total credit of 18. The project work will have of three sub components viz., project work, project seminar & project viva-voce. Each component will be assigned with 4 credits. The total mark for project work is 300. The external and internal marks for project work will be awarded as follows:

| Internal marks | External marks |
|--|---|
| 100 marks should be given by internal guide for the project work | 100 marks should be given by external examiner during University exam |
| 50 marks should be given by review team members as evaluation of continuous progress | 50 marks should be given by internal guide during university exam |

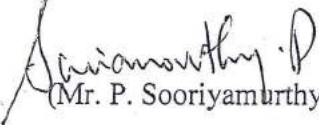

4. The syllabi of the subjects for M.Sc should have 5 units to equip the students to meet out the industry/institution expectations and standards.
5. The M.Phil program is framed for two semester. In first semester, the students should study three papers (curriculum & scheme of examinations is enclosed) with a total credit of 12 and II semester components of dissertation and viva-voce with a total credit of 8. Hence for M.Phil program the total accumulated credit will be 20.
6. The Board of Studies members suggests the followings for M.Phil. program.
 - I) The II semester components will be of dissertation and viva-voce only.
 - II) In case if the Institution's general course policy is to have a paper in the II semester, the department can offer a special elective subject which will be related to the candidate's M.Phil research work.
7. The syllabi of the subjects for M.Phil should have 5 units to equip the students to meet out the industry/institution expectations and standards.
8. A total of 90 credits is to be completed for the award of the M.Sc degree and 20 credits is to completed for the award of M.Phil degree.

The Syllabi of all the papers were discussed and after the deliberations, consensuses were arrived and resolved the following recommendations: under CBCS system - Pattern, more relevant

Pattern for the students to face competition to seek better employment in the present world. However, it is discussed well in detail about the work load, strength of the Faculty Members in the Dept, to comply with the effective and efficient teaching. In this context, everyone felt that the existing strength of the Faculty Members - i.e 4 only, is well inadequate to carry out effective Teaching work. M.A. I, II, III and IVth semesters and M.Phil I and II semesters covers totally 114 + 20 hrs = 134 Hours - To engage all these hours, the Dept. of Economics, barely require 9 Staff Members. whereas, at present we have only 4 Staff Members. This we forward to the Authorities - 1 version them further to take appropriate steps to fill the vacancies M.Phil 2 Semesters.

Minutes of the meeting

The Fourth Board of Studies meeting of the Department of Mathematics, Kanchi Mamunivar Centre for Post Graduate Studies was held on 30 - 01 - 2013 at 10.00 AM.

The members of Board of Studies suggested modification with regard to contents and references of each course. The following general recommendations are made by the members of Board of Studies.

1. Recommends the syllabi for III and IV semesters of M.Sc. (Mathematics) course (Syllabi enclosed). The five hard core electives (not discussed in Third BOS meeting) were finalised.
2. Recommends a total of six papers three in I semester and three in II semesters under CBCS for M.Phil (Mathematics); Paper IV Soft Core Elective - Fundamentals of Mathematics and Statistics is offered in II semester for the students of other disciplines. (Syllabi enclosed). The new syllabi will come into effect from 2013 - 2014 onwards.
3. Recommends question pattern for M.Phil. (Mathematics) as given below:
Section A: Question with internal choice and one question from each unit. Candidates should write all the questions ($4 \times 5 = 20$).
Section B: 4 Questions with maximum of two subdivisions only and one question from each unit. Candidates should write any three questions ($3 \times 10 = 30$).
4. Recommends the same scheme of examination and the pattern of question papers for all papers of III and IV Semesters as those of I and II semesters already finalised in the third BOS meeting held on 21-10-2011.
5. All other recommendations and resolutions passed in Third BOS meeting are continued.
6. Authorise the Chairman to suggest the panel of paper setters and Examiners for valuation.
7. The omissions and corrections suggested in the Fourth BOS meeting held on 30-01-2013 were unanimously accepted and attested by the Members of BOS.
8. For M.Phil. Programme, since the students spend the entire semester for Dissertation work and Viva-voce is only for a maximum of one hour, it is suggested that out of 9 credits ($6+3$) 8 credits can be for dissertation and 1 credit for Viva-voce.
